Kayak Kayak

Available
only at

KAYAK KABOOSE

- **Saves space:** allows you to haul all of your gear in one simple system. Modular accessories can be added to suit your needs.
- **Saves time:** Leave boat & bikes stored on the trailer, pull it out of the garage for a quick escape.
- **Easy on your vehicle:** Lightweight trailer tows behind most vehicles. No racks or straps to scratch your vehicle.
- **Easy to load:** boats are stowed low so they are easier and safer to lift.
- **A smart purchase:** Starts at \$850. Customized options and shipping are available.

Easy to load.
Easy to tow.
Ready for any task.

KAYAK KABOOSE

The complete paddlesports transport solution.

Built to last

- Welded, galvanized, heavy gauge steel frame for durability and longevity.
- Double leaf springs suspension with 12" wheels give a roadworthy ride and ample weight capacity.
- Upholstered 72" bunks provide a sturdy base for boats or accessory mounts.
- Water resistant lights and bearings.

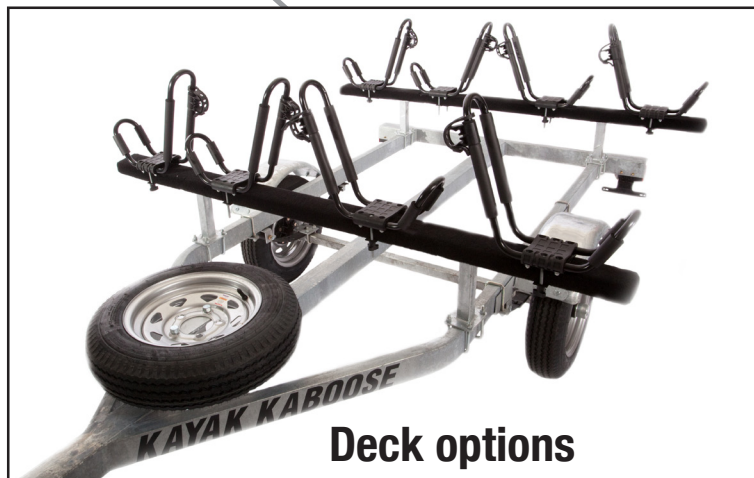

Trailer add-ons

- Handle
- Spare tire and bracket
- Jack stand

Mast Options

- Bike mast carries up to four bikes
- Thule bike hooks
- Stand-Up Paddleboard mast holds two SUPs

Deck options

- J-Hooks hold up to six kayaks
- Cargo container
- Protective Deck pad
- Extra T-bunk for long kayaks

Modular, versatile add-ons for paddlesports and other outdoor pursuits
